

§ 108A-88. Determination of State and county financial participation.

Before February 15 of each year, the Secretary shall notify the county board of commissioners, the county manager, the director of social services, and the director of public health of each county of the amount of State and federal moneys estimated to be available, as best can be determined, to that county for programs of public assistance, social services, public health, and related administrative costs, as well as the percentage of county participation expected to be required for the budget for the succeeding fiscal year. In odd-numbered years, in making such notification, the Secretary shall notify the counties of any changes in funding levels, formulas, or programs relating to public assistance and public health proposed by the Governor to the General Assembly in the proposed budget and budget report submitted under the State Budget Act. Counties shall be notified of additional changes in the proposed budget of the Governor that are made by the General Assembly or the United States Congress subsequent to the February 15 estimates.
